Susanna Gibson:

"I don't know if I have enough money to show you. We will see. Honey I need a light. They want to see my cream pie...I can actually come again with a vibrator if y'all wanna see...**I just want a private room with somebody filming their cock so I can come looking at it, Jesus Christ...Oh my God I'm thinking about you guys. You have no idea how turned on I am that you're watching me. Honestly I would fuck each and every one of you if you would let me. I would. I would fuck every single one of you.** I want to know how many of you are watching... You guys I fucking wish you were fucking me so bad you have no idea. It's hard for me to come if I don't see a dick. I need someone to be in a private room with me and make me come. **Oh God I want to fucking get railroaded by all of you.** Every single one of you I want to fucking make come."

Susanna Gibson:

“I’ll let you fuck me in the ass doggy style in a private room if someone wants to pay. That’s the deal.”

Susanna Gibson:

“Yeah, you can watch me pee. Let me block a few people and then y’all can watch me pee if you tip me and some tokens again I’m raising money for a good cause...you can do a line off my ass without having to do that...so I’m allowed to get fucked in the ass but I’m not allowed to pee, is that what you’re telling me? That’s ridiculous.”

Susanna Gibson:

“You want to watch me pee? I don’t have to pee, but when I do, I’ll let you know and you can watch how ‘bout that? “

Susanna Gibson:

“We always go away for vacation just the two of us for our birthdays. His is September 3rd and mine is September 4th ...500 tokens. I will be here in cute heels in one fucking second for that yes...Is that really how many of you are watching me right now? You want to see the panties I wore today? ...Yeah I fuck random strangers if you’re hot. We have tried swapping. I was telling them earlier about ethical non-monogamy. We uh, he doesn’t like sharing. [John David Gibson: Sometimes I have to though. She makes me.]”

Gibson telling her husband to order room service:

“Tell him I want a bottle and have them bring it into the room and we’ll be naked and they can all watch. It’s gonna be great. I’m definitely a slut...In order to leave the door cracked I need 500 tokens from 10 of y’all. 10. Otherwise not worth it. Don’t get me kicked out from my favorite hotel y’all.”

Was Gibson raising money for her campaign?

“I am pretty much every man’s dream because I would do, I actually do do, anything and everything.”

“I’m married and I think the person I’m married to is amazing. But I love sex. I always have I always will. I don’t think that when you are in love with someone it means that you don’t want to fuck other people. Like love and sex are not mutually exclusive right.”

“I’ve had three in a day actually. Don’t tell my husband he was the third. I would say ethically non monogamous but I guess that three in one day was not. I would just say I love men and I love sex and he comes in here so I fucked the guy that I had been fucking and we are still friends. He is ethically non monogamous and married. And then I have a friend who I would say he is a friend. He would like to be more. He is sexy as fuck.”

“Racking up one token left and right, any more? I’m raising money for a really good cause and it’s my birthday so give me more please because it’s my birthday night and yeah so then I fucked him in his house for the first time and then later that night I fucked my husband.”

In one stream from 9/5/22, as Gibson clicks through requests on a laptop, she says: “Y’all I need more tips... They want anal and missionary but I’m only doing it if they’re in a private room.”

Susanna: “Anal and missionary.”

John David Gibson: “What do they want?”

Susanna: “They want anal and missionary but I’m only doing it if they’re in a private room.”

John David Gibson: “Yeah. No anal outside of private.”

Susanna then types on the laptop and says: “I’m gonna decide how he fucks me right now unless someone wants a private show, but that is the only way I’m going to...listen, it’s not fake. Trust me.”

...

Susanna: “I’ll give you 30 seconds to throw me some tokens.”

In another stream from 9/11/22, Susanna Gibson clicks through private messages and asks her husband: “Can I do private with this person for a little...can I like private...like not you?”
